**ECF CASE**

08 Civ. 02080 (SHS)

**AFFIRMATION OF ANTONIS LEMOS IN SUPPORT OF  
MOTION TO VACATE ATTACHMENT**

ANTONIS LEMOS, affirms and states the following under the penalties of perjury under the laws of the United States pursuant to 28 USC § 1746:

1. I am Director of Baker Investments Corporation ("BIC") and have personal knowledge of the matters stated herein. I make this Affirmation in support of Adora Investments Inc.'s ("Adora") motion to vacate the attachment and have read the Affirmation of Phillipos Gallanis dated March 14<sup>th</sup>, 2008, as well.
2. BIC is registered in the Marshall Islands and has an office and place of business at 5-7 Agios Nikolaos Street, Piraeus, Greece.
3. On February 20, 2008, BIC sub-chartered the vessel M/V DJEBEL REFAA to Louis Dreyfus Commodities Suisse S.A. ("Louis Dreyfus"). (A copy of the Louis Dreyfus sub-charter is attached as Exhibit A.) Under this sub-charter, Louis Dreyfus was required to make a freight payment to BIC.
4. As Mr. Gallanis explains in his Affirmation, Adora advanced funds to BIC in 2005 and 2006 and BIC agreed to make repayment of these funds. BIC failed to make any

repayments by January 31, 2008, the last day for BIC to make any payments under the agreement.

Therefore, on February 22, 2008, BIC and Adora entered into a Deed of Assignment whereby BIC would assign its rights to the freight payments under the Louis Dreyfus sub-charter to Adora and would assign its rights to additional sub-freights from subsequent fixtures of the DJEBEL REFAA. (A copy of the Deed of Assignment is attached to the Affirmation of Mr. Gallanis.)

5. On March 5, 2008, BIC sent a freight invoice to Louis Dreyfus. The freight invoice directed Louis Dreyfus to wire transfer the freight payment of \$127,755.79 directly to Adora's bank account. (A copy of the freight invoice is attached as Exhibit B).

6. The wire transfer was initiated on March 5, 2008. Apparently, a mistake was made however, and the wire instructions named BIC as the beneficiary of the funds transfer, even though the rest of the beneficiary details described Adora's bank account. (A copy of the wire transfer instructions is attached as Exhibit C). Corrective wire transfer instructions were subsequently sent, but apparently it was too late. (A copy of the corrective wire transfer instructions is attached as Exhibit D).

7. As an apparent result of the mistake in the initial wire transfer instructions, the funds transfer of the freight payment by Louis Dreyfus was attached pursuant to the attachment order obtained by the plaintiff in this case, Egyptian Navigation Co. ("Egyptian"). BIC first learned of this when it received notice of the attachment from Egyptian's counsel on March 6, 2008. (A copy of the notice of attachment is attached as Exhibit E).

8. There is no corporate relationship between Adora and BIC and the two companies have no dealings except for the agreements described above, which were arms-length transactions.

9. Due to the February 22, 2008, assignment BIC has and had no interest in the funds being sent by Louis Dreyfus and which are now under attachment.

10. Further, Adora has no involvement at all with the dispute which is the subject of the plaintiff Egyptian's Verified Complaint in this action.

The foregoing is true and correct to the best of my knowledge under the penalty of perjury under the law of the United States.

Executed on: March 14<sup>th</sup>, 2008
